Angus Energy has committed £100,000 to fund a new 10-year scholarship programme for West Sussex families in 23 towns neighbouring the Company's Lidsey Oil Field. The scholarship awards are for post-secondary education ranging from NVQ to DPHIL.

"We are thrilled to launch this scholarship for our local students. Angus Energy strives for meaningful CSR practices. It is not just good business, this programme reflects who we are as neighbours and ordinary people," said Paul Vonk, Managing Director of Angus Energy.

To administer the programme, Angus Energy has partnered with The Scholarship Hub, a social enterprise, committed to developing new scholarships for UK students.

The application period opens today, 4 June 2018 and will last until 25 August 2018 for the 2018/19 academic year. Further details for potential applicants are available on the Company website and at The Scholarship Hub.
